

# Automatic Ethanol Reproofing / Dewatering

**maratek**  
Automate | Optimize | Scale

# F-SERIES

Fractional Distillation and Dewatering Systems - F-Series

300-40,000+  
Gallons/Day

Reproof up to  
99.9% Ethanol

Fully Automated  
Remote Control

Seamless  
Integration

Class I Div I Certified

# Fractional Distillation and Dewatering Systems - F-Series

Reproof /  
Dewater up to  
200 Proof

Ethanol,  
Methanol  
and more

Easily  
Integrateable with  
Maratek OERS  
Series or Other  
Equipment

Increase  
Extraction  
Yields

Reduce  
Solvent  
Costs

## Key Equipment Features:

- 300-40,000 gallons per day
- Reproof and reuse solvents
- Easily integratable with Maratek OERS or existing operations
- Allen Bradley PLC with data logging and programmable recipes
- Secure remote access and control
- 304 & 316 stainless steel
- Class I Div I Group D explosion proof & safety certified (Metlab)
- Continuous automatic operation

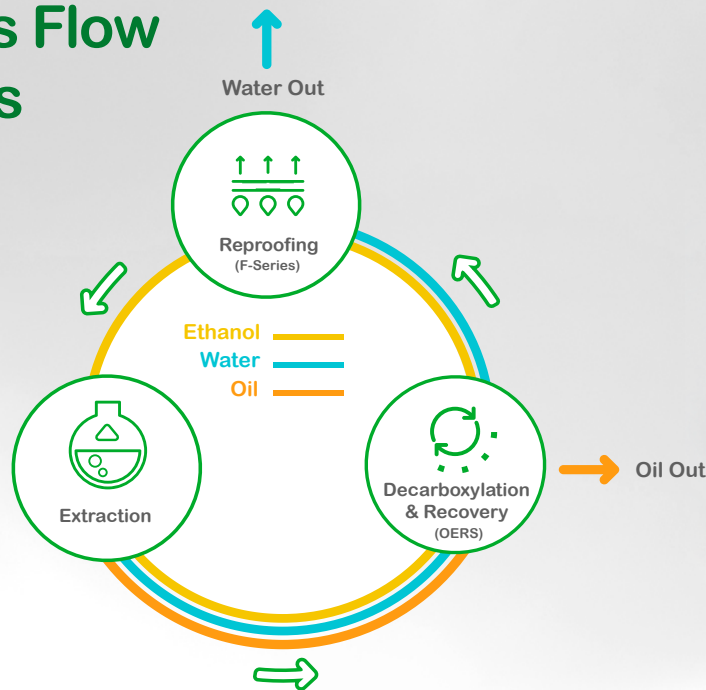

## PRODUCTION GUARANTEE

We offer production throughput guarantees based on your stream parameters and stand behind these values with a money back guarantee.

# Process Flow F-Series

## World Class Technology, Automation and Service

**Lifetime remote service at no extra cost.  
Minimize downtime.**

We can seamlessly resolve problems you may encounter right from our office with our remote access PLC. With your permission, we will be able to access your system controls to assist with diagnostics & troubleshooting to minimize downtime. Your organization will also have the same secure remote operational capabilities.

## UPTIME GUARANTEE

Our uptime guarantees utilize our secure remote troubleshooting technology and the ability to dispatch a technician within 24 hours if your equipment needs on-site service. A variety of service & spare parts packages are available to suit your specific needs.

# About Maratek

Maratek is an award-winning industry leader in the solvent recycling and cannabis & hemp oil production industries. We strive for the highest safety and quality standards with all our equipment designated as Class 1 Division 1 certified, and UL listed using only **North American stainless steel, parts and labor.**

For over 50 years, Maratek has been engineering & manufacturing environmentally-friendly, high quality products that recycle solvents for the printing, coatings, automotive, aerospace, food, and paint industries.

Maratek can also provide world-class engineering services to integrate systems and provide closed loop cannabis/hemp oil production processes.

## The Maratek Family of Cannabis Equipment and Services

Oil and Ethanol Recovery Systems - SC-Series

Oil and Ethanol Recovery Systems - C-Series

Fractional Distillation and Dewatering Systems - F-Series

Turnkey Automatic Winterization Systems - TAWS
